

Concrete Stamps

Concrete Products of New London

Old Granite

Castle Stone

We offer for rental a complete set of seamless skins manufactured by Proline, available in **Old Granite** and **Castle Stone**. These textures are fabricated from real chiseled stone for a natural replica. Stamps are light and easy to use.

Old Granite (3 - 3'x3' seamless skins, 2 hand mat)

Castle Stone (4- patterned stamps included, chisel 12" hammered edge)

Also available:

Colored Concrete

Chisel 12" Hammered Ed Any custom color is available, next day, with our color machine.

Separate your project from the rest with a unique color to compliment any exter

Stamped Concrete

We recommend our "Stamp Crete" concrete mix. This 5000 psi ,custom mix includes Class A granite for no pop outs. This mix is also proportioned for ease of stamping and to provide strong, clean details to your texture.
